We are encouraging all extended family and friends to attend the afternoon dress rehearsal concerts at 1:30 in order to alleviate the crowding at our evening performances. There will be many great seats available at our afternoon performance. Our evening performance is very limited for space. If possible, please try to arrange for siblings who attend ÉJWES to stay home in the evening to allow for more adult seating space. All of our students will have watched the full performance in the morning of that school day. As the show is about a holiday sleepover, students may wish to dress in their Christmas ‘pj’s’ to enhance our performance. Alternatively students may dress in their regular clothes or Christmas best.

On concert nights we are collecting Food Bank Donations of dry goods or cash at the gym doors. Thank your for your support of our Local Food Bank.
