## December Edition

*Merry Christmas*

*'Tis the season!*

I feel like I say how quick the time goes by every month...but December arrived and it seemed in a blink of an eye the holidays were here! Throughout December, we take time to focus on caring for others as it is a core value at École John Wilson Elementary as part of our Big 5 Values. The value of caring is developed in children when we focus on the importance of citizenship and we work with students to reach as caring citizens in our community and world. ### Courageous and compassionate global citizens

A Message from the Superintendent

The global situation is certainly providing a new definition of what good citizenship truly means. In Chinook's Edge, we believe citizenship involves the character of an individual and their respect for the greater societal good. A high measure of good citizenship is certainly occurring across our school division. Our schools are filled with students and staff who are continuing to learn together, to take care of one another and to look beyond our current challenges with a sense of unity and resolve.
