Principal's Message

Hello families,

Well, here we are in the last learning term of the school year already! Thanks to all for attending our March Virtual Interviews via Google Meet or telephone. We love to be able to share all that is happening as your child(ren) continues to learn and grow at John Wilson! We celebrate together as partners in education!

As the month of May approaches, we are excited to share that we will continue with our annual school Read-A-Thon. Watch for more details coming your way after spring break! We are happy to have warmer weather arrive and our Read-A-Thon helps to motivate our students to continue reading when they come back inside from playing outside! Please see the links provided on our main newsletter page for some information on the importance of reading. Remember reading can come in many different forms from pre-kindergarten to grade four. Some examples include: letter recognition practice, working on letter sound recognition, blending practice, sight word recognition practice, reading of any genre, listening to reading, reading quietly to oneself or aloud to others and discussing and reflecting on reading together.

Please click [here](#) to continue reading.

As the weather warms up, we wanted to share a gentle reminder that we do not have outside supervision before 8:20 am or after 3:20pm. Thanks for helping your child(ren) arrive after 8:20am!

Message from the Superintendent

Strong leadership at every level sets students
staff up for success

A Message from the Board of Trustees

Supporting the growth of our leaders has always been a priority for Chinook's Edge and there has never been a greater need for exceptional leadership than this past year. Trustees are proud that our classroom, school and division office leaders are determined to ensure our work of teaching and learning is continuing successfully. We are so grateful for their efforts.
