January

January has brought some warmer weather which we are grateful for! We enjoy heading outside to play as much as we can. We often have P.E. classes outside as well, which the students love! Thank-you for helping your child dress appropriately for these opportunities!

Our staff at John Wilson are working diligently to maintain the COVID protocols and guidelines set by Alberta Health Services and Chinook's Edge School Division. We appreciate all of these daily safety efforts! A thank-you also goes out to all of our families for your continued support in our endeavours to help keep everyone safe by:

- Ensuring that your Grade 4 student brings a mask to wear at school (and on the bus if applicable)
- Using the [Daily Checklist](#) to assess your child's health each day
- Having your child remain at home if they are ill or are showing symptoms
- Ensuring your child stays home for the duration of any [isolation period](#) in place by Alberta Health Services or Chinook's Edge School Division- this would include isolation periods arising from travel outside of Canada
- Notifying the school and keeping your child at home if they receive a positive test result from Alberta Health (outside of school hours please complete this [form](#))

Our commitment to health and wellness

A message from the Superintendent

In Chinook's Edge, we know that supporting a healthy environment in our schools will positively impact the achievement and social emotional well-being of our students and staff. The global situation shows us that now, more than ever, our division's focus on wellness will ensure our students remain engaged and ready to learn, even as our circumstances change and evolve.

Our division has a long-held priority of caring relationships at every level.
