With November, comes a time to pause and remember those that have sacrificed in so many ways for our freedom. Our students participated in thoughtfully prepared and meaningful learning opportunities related to Remembrance Day. Our amazing artists, along with our art teacher Mrs. Nelson, created a [Walk of Remembrance](#) in honour of all those who have served. Please take a moment to view it using the link and look at the various pieces of beautiful artwork. As a campus, we shared our Remembrance Day Service in a format that is fitting for our current circumstances. We viewed a video presentation that was prepared in conjunction with our local Innisfail Legion. As part of the service, students actively participated in a candle lighting and wreath laying ceremony that are both customary during our in person assembly. We are so proud of how our students recognize and respect the solemn nature of this event. Throughout November, we focus on all areas of social emotional and academic growth and achievement. We use a variety of assessments to celebrate our learning in preparation for our upcoming report cards on December 10.

Concession will be open to the
grade 3 and 4 students every
Tuesday and Thursday over
lunch. Everything is \$1.

Ensuring our students achieve
A Message from the Superintendent

Chinook's Edge is committed to ensuring student success, which has long been reflected in our division's provincial achievement measures. This is a time of year when our Board receives information on Diploma Exam and Provincial Achievement Test results from last spring. As a result of the spring's disruption and the cancellation of provincial testing, the 2020 data is not available to exemplify the achievements of our students. Fortunately for Chinook's Edge, we have other longstanding methods for informing success, which show the achievement of our students. Click [here](#) to read more.
