March Edition

Principal's Message

Hello Families! 🍀

Can you believe the completion of our second term has arrived- it seems time continues to fly by! Our Term Two Report Cards came home on March 12th. Please review the report card as it will provide details about your child's learning achievements at this point in time and the learning and skill developments that are next steps. Report cards communicate a student's level of learning based on our Alberta curriculum learning requirements which are called outcomes. There are multiple learning outcomes in every subject for every grade level.

The Student Learning Journey

1. The classroom teacher determines how to present the learning outcomes in a variety of engaging ways for students. Click [here](#) to continue reading.

Message from the Superintendent

Students are achieving high levels of success

A Message from the Superintendent

In Chinook's Edge, we are continually looking at different assessment tools which convey the great accomplishments of our students and staff. Although some traditional measures of student achievement have been disrupted because of COVID-19, we can continue to look at a number of other indicators when determining student success. A series of success measures are embedded in our division goals:
