OCTOBER EDITION

Dear Families,

Can you believe that October has arrived and we are well into the beautiful fall season! As we think about Thanksgiving and what we are thankful for, there are truly so many things! On behalf of the staff at John Wilson, I would like to send a big thank-you out to everyone for doing your very best to help your child(ren) get back into the routine of school. You did an amazing job to help prepare them for the new procedures of staggered entry and exit, drop off and pick up, physical distancing, wearing masks, and washing/sanitizing hands just to name a few! Staff and students were so thankful to see each other. Our classrooms and hallways are once again filled with the energy and laughter the students bring with them and we couldn't be more happy about that! We continue to follow our practices of increased hand washing/sanitizing, having staff and grade four students wear masks throughout the day, adjusted recess protocols as well as the many others shared in the [CESD Re-Entry Guidelines](#) to help keep everyone in our building safe. As our learners adapt to the new expectations, they teach us so much about their resiliency- what an amazing group of little humans they are!

**Happy to be learning in our safe
and caring schools**

A Message from the Superintendent

Now more than ever, ensuring everyone in our school communities are surrounded by caring professionals within safe settings is paramount. Teaching and learning in the midst of a pandemic is a new experience, and our entire team has worked to ready ourselves for shifts in practice that may be required as we move forward. We are able to accomplish this because of our caring culture and our resilient students. We have heard that our students are happy to be back together and enthusiastic about their learning.
