Dear Parents/Guardians of Grade 4 Students:

Alberta Education is now conducting the **Alberta Education Assurance (AEA) Surveys**. Alberta Education has mailed a survey information package with a Random Access Code (RAC) to the homes of parents of students in grades 4, 7 and 10 in all schools in Alberta. Parents/guardians can complete the survey online (<https://public.education.alberta.ca/APOS>). Instructions for doing so have been included in your package, however, please do not hesitate to contact the school if you have any questions. Parents still have the option of completing the AEA survey on paper. Requests for a paper survey or translated survey can be directed to your school principal. École John Wilson Elementary School students in grade 4 will also complete a survey online. All student surveys will be completed at school.

The data in these surveys is very important for our school and as such, we strongly encourage you to take a few minutes to respond to the survey. You are asked to answer the questions based upon the experiences you have had at our school. At École John Wilson Elementary School we value feedback from parents, students, and staff and will use it to identify areas of strength that we should continue and areas to modify for improvement. Communicating and working in partnership with our parents is a priority for us. The feedback you provide with this survey is an important step in the process. All surveys are anonymous.

Your participation in the survey helps provide important information on the quality of education your child is receiving, and is an important part of our planning process.

If you have any questions or concerns, please do not hesitate to contact me at the school at 403-227-3292 or awarke@cesd73.ca.

Yours truly,

A. Warke
