Online Safety Presentation

Thank you to everyone who joined the iCampus School Councils' Online Safety presentation, sponsored by the Internet Child Exploitation Unit. The event highlighted our strong community spirit. Before the session, guests enjoyed dinner from Divots (courtesy of Innisfail FCSS), with childcare provided by the Family Resource Network and Innisfail McMan. Officers from the RCMP and Edmonton City Police led an engaging presentation, offering practical advice on discussing online safety with children. Their guidance gave parents and caregivers useful tips for keeping kids safe in the digital world.

School Council Meeting Reminder

Our next meeting is tentatively scheduled on October 21 at 6:00 p.m. for our AGM. Pizza and childcare will be available. We are seeking nominations for Secretary—consider getting involved to support our school community! If you are interested, please put your name forward. If you would like to nominate someone, please talk to them beforehand and let them know you would like to put their name forward. We will also be having a John Wilson Parent Society meeting on the same evening and are calling for nominations for the Vice Chair and Secretary/Treasurer positions. If you're interested, feel free to submit your name. If you'd like to nominate someone else, please speak with them first to get their consent before putting their name forward.
Thank you!
